More Than 53,000 Residents Contribute to Liberty Loan.

John Poole, chairman of the loca berty loan committee, announce last night that over 53,000 resideits of last night that over \$3,000 resideits of this city contributed a total of more than eighteen and one-third millions to the great patriotic fund. He said that the committee is now awaiting reports from the various local banks relative to the exact amount of small subscriptions. These reports are expected in some time tomorrow.

Liberty loan returns to the Secretary of the Treasury are proving to be slower than the officials expected. Up to 6 o'clock last night, no figures had been received in addition to the four cities, Philadelphia, Cleveland, St. Louis and Chicago, which were reported.

ed Monday.

Many errors in the form of application for bonds, as well as the routine tion for bonds, as well as the routine of the banks in tabulating returns are given as the cause for delay in totaling the subscription.
